Welcome to Juanita Event - March 4, 2017

In September 2015, the White House Task Force on New Americans launched the [Building Welcoming Communities Campaign \(BWCC\)](#) to encourage local communities to engage in local immigrant integration efforts, in partnership with Welcoming America, a national non-profit organization with expertise in welcoming efforts. The President is calling on local communities to act on a set of principles to build inclusive, welcoming communities that allow all residents to thrive and advance integration efforts in three core areas: civic, economic, and linguistic integration. Community Building is the heart and soul of the Juanita Neighborhoods Association. The JNA works on projects and campaigns that build our wonderful community and improve our Juanita neighborhood! Some of the many ways we are involved in the Juanita Neighborhood include:

- ◆ Neighborhood Projects (Parks, Clean Up, Work Projects)
- ◆ Community Development (Events, Meetings, Parties)
- ◆ Communication (Neighborhood Issues, City of Kirkland)
- ◆ Volunteer Opportunities (Neighbors Helping Neighbors)

We receive great funding support from the City of Kirkland and utilize various grants as we are able to promote and complete many projects- but it isn't always enough to do *everything* we wish we could. If you have an idea for building neighborhood community, please let us know! Also, we have many ways you can volunteer in our neighborhood!

Welcome to Kirkland - September 16, 2017 Heritage Hall

The Juanita Neighborhoods Association has been holding welcoming events for two years. This year we have joined with Kirkland Safe and with the support from the City of Kirkland, we are hosting a city-wide welcoming event bringing together people from various cultural and linguistic backgrounds.

As a welcoming community, we want to bring resources to those who need them. We want to celebrate the economic and cultural contributions of immigrants in the area through their music, dance and delicious food. Please join us for this afternoon event where we listen, eat and sway to a new rhythm together.

Together we are building a safe and welcoming Kirkland.
